Subject: Alternate Shift Schedules

APDEA-007

This agreement is between the Municipality of Anchorage (Municipality) and the Anchorage Police Department Employees Association (APDEA). The Municipality and the APDEA are parties to a collective bargaining agreement. Article VII, Section 1 Workweek indicates by mutual agreement the parties may agree to alternate shifts schedules. The purpose of this agreement is to define two alternative work schedules, a 3-12's/1-8 workweek and a 9-80's workweek.

A 3-12's/1-8 workweek is defined as three consecutive 12 hour shifts for one week followed by three consecutive 12 hour shifts and one 8 hour shift for one week for a total of 80 hours in one pay period with the workweek starting midway of the 8 hour shift.

A 9-80's workweek is defined as four 9 hour shifts, and one 8 hour shift followed by four 9 hour shifts and one day off shift for a total of 80 hours in one pay period with the workweek starting midway through the one 8 hour shift.

Employees taking any type of leave will be charged leave for the hours off work that they are regularly scheduled to work.

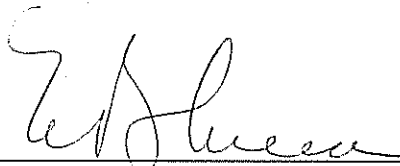

Recognized holidays that fall on a work day that an employee is regularly scheduled to work will be paid based on the number of hours the employee is scheduled to work.

Any disputes concerning the interpretation or application of this agreement shall be resolved through the grievance procedure in the collective bargaining agreement between the Municipality and the Anchorage Police Department Employees Association (APDEA).
